

COOKIE POLICY

Introduction

This page explains how Advanced BioScience Laboratories, Inc. (“ABL”) and its affiliates (“We”, “Us” or “Our”) uses cookies on www.abliinc.com (the “Site”). By using the Site, you (“You” or “Your”) acknowledge that You accept the provisions of this Cookie Policy.

We may amend this Cookie Policy at any time. All such changes will take effect once they have been posted on the Site. By continuing to use the Site after the posting of such changes, You will be deemed to have accepted those changes.

“Cookies” are small data files that are used as unique identifiers. They are sent from the Site’s servers to your computer or mobile phone and stored on your device, and may then be sent back to the Site’s servers with updated data as you browse Our Site. For further information about cookies, please visit www.allaboutcookies.org.

Please note that We are not responsible for the content of any external websites.

Cookies are used to record information about your preferences as you browse our Site, which allows us to improve your experience by tailoring the Site accordingly. Cookies can also be used to identify you every time you revisit our Site.

Blocking Cookies

The majority of web browsers will allow you to block cookies from being installed on your device via your browser settings.

Mobile phone users may have to refer to their handset manual for details on how to block cookies using their mobile browser.

Please be aware that restricting the use of cookies may impact on the functionality of Our Site.

Deleting Cookies

The majority of web browsers will also allow also allow you to delete all or selected cookies currently installed on your device.

Similarly, mobile phone users may have to refer to their handset manual for details on how to delete cookies using their mobile browser.

This Cookie Policy is dated April 2016.
